Program

Guest Speaker, Rick Fortney, from Air Life 7 was introduced. Rick handed out flyers on insurance info for Air Life. He and his staff have a hangar at Suwannee Airport and all were invited to view the site and helicopter. Rick gave us details on the safety precautions that are taken to prevent accidents as well as requirements of pilots who fly these helicopters. They are equipped with the latest technology including night vision goggles that cost \$10,000 each. They fly mostly VFR as it is hazardous to land in bad weather or fog. Rick took questions from members and we learned a lot

from the answers. He brought four hats which were raffled out at the end of the meeting.

Bob Jaeger had a Safety Quiz.

Fly out scheduled for July 19 to Douglas, GA, 9:00 AM breakfast. More to come in an email.

There will be no meeting in July.

Meeting was adjourned at 11:40 AM.

MANY THANKS TO JEAN CALABRESE WHO WROTE DOWN THE MINUTES IN MY ABSENCE.
