Announcements

1. There are EAA shirts and hats available for sale at bargain prices. Please check the cabinet if you are interested in purchasing a shirt or hat.
2. Our website is www.EAA797.net. We also have a Facebook page. Allen is maintaining both and trying to keep up with dates for events and posting photos.
3. The Chapter has received a donation of several boxes of aviation-related books and magazines. They are in the chapter's building and all are welcome to browse and take what you find interesting.
4. Allen has had his FAA air worthiness inspection completed (successfully!) on his RV. Although he had been experiencing oil pressure gauge problems, those were cleared up before the inspection. He has taxied and used the brakes, and looks forward to a flight home to Ancient Oaks in Steinhatchee.
