

EAA #797
Monthly Meeting

June 27, 2015

The meeting was called to order by Allen Rice at 10:35 AM. There were 19 members present and 2 guests

The minutes from the previous meeting were available for review. The Treasurer's Report was read and approved. We have a balance of \$15,384 as of May 31.

Old Business

1. Larry Boiven did a seminar on firearms. Eight people attended. We had a profit of \$140.

New Business

1. Harry Hyman will be attending Aviation Camp on July 15 and will give the membership a report in Sept. or Oct.
2. Upcoming FSAACA Fly-In will be at Little River Air Park either the 2nd or 3rd week of August. Please check our website for the exact Saturday date.
3. We have a ceiling leak in our clubhouse kitchen and need to find someone to repair it. The building is 24 years old so the metal roof leak is no surprise.
4. Oshkosh is in July so there will be NO MEETING IN JULY, and no newsletter.
5. Since the FSAACA Fly-In is in August, that will be our August Meeting.
6. We are planning to bring our buggy back from the Sun N Fun site in Lakeland so we will be able to use it as a float for parades in Live Oak. We have 4 tires to put on it and we have a banner and can make another banner to be used in parades. David has offered to store the buggy at one of his places.
7. We were recently notified that member Don Krueger passed away.

Bob Jaeger conducted a trivia quiz.

The raffle and 797 t-shirt was won by guest Joe Clark.

On Facebook at [EAA 797](#)

The meeting was adjourned at 11:05 AM.

There will be no meeting in July and the FSAACA Fly-In will count as our August meeting.

Many Thanks to Jean Calabrese for taking the Minutes in my absence.
